

Dear Entering MPH Student:

Congratulations on your acceptance to Nova Southeastern University, College of Osteopathic Medicine, Master of Public Health Program. You are about to begin what I believe will be one of the most enriching experiences of your life.

There is much planning to do before you begin the program and many forms that you need to complete before and during orientation.

Once you have reviewed the following information on our Entering Students Information website, please be sure to return all information according to the deadline established.

You must submit official final transcripts to the Office of Admissions before the start of the term in order to be eligible for financial aid. Financial aid will not be disbursed until all of your documents have been received.

If you have any questions, please don't hesitate to call me.

Sincerely,

A handwritten signature in dark ink, appearing to read "James Lawrence, III", written over a light blue horizontal line.
